Dear Sirs:

**DECLARATION UNDER 37 CFR §1.131**

1. I, Glen Schult, am an experienced technical designer. I have significant experience in generating design drawings using computed aided design (CAD) applications. The generated drawings can be used to manufacture the components in the drawings.
2. I have a longstanding business relationship with Alan Reid spanning over five years.
3. It is our standard business practice for Alan Reid to provide me with a prototype from which I generate design drawings. It is my understanding that Alan Reid uses the drawings I generate to have the components manufactured.
4. In an E-mail on July 31, 2003, shown in Exhibit A, I sent the design drawings in Exhibit B to Alan Reid.
5. I have a specific recollection that the drawings generated in Exhibit B were generated from a prototype provided to me by Alan Reid.
